

An initiative by the federal government, the federal states and the social security services.

# Get vaccinated against the flu now

schützt  
einfach.

The “real flu” is really not funny.

# Get vaccinated against the flu now!

schützt  
einfach.

The influenza vaccination is **particularly recommended** for:

- People **aged 60 years and older**
- People with **certain chronic diseases**
- **Highly overweight** people
- People with **weakened immune systems**
- **Pregnant** women, **breastfeeding** women and women who **wish to have children**
- **Infants** (from 6 months) and **toddlers**
- Staff within **healthcare and nursing, care workers**
- People in **community facilities** (e.g. old people's homes and nursing homes, childcare facilities)
- People with **many social contacts in work and leisure** (e.g. staff in tourism and gastronomy)

Ask your doctor or pharmacist.

You can find more information on the influenza vaccination and vaccine offers on **[impfen.gv.at/influenza](https://impfen.gv.at/influenza)**
